<b>TEST SCENARIOS</b>
<b>&amp;</b>
<b>TEST CASES</b>

Project Name	Product Suit Vercel									
Client	Product Suit Vercel									
Reference Document	FRS									
Created By	Paraskumar Zumbarlal Sanghavi									
Creation Date	18/12/2024									
Approval Date	21/12/2024									
Test Scenario ID	Reference	Test Scenario	Priority	Number of Test Cases						
<a href="#">TS_001</a>	FRS	Validate the Register Account functionality	P0	11						
<a href="#">TS_002</a>	FRS	Validate the Login functionality	P0	7						
<a href="#">TS_003</a>	FRS	Validate the Search functionality	P0	2						
<a href="#">TS_004</a>	FRS	Validate the create task functionality	P0	19						
<a href="#">TS_005</a>	FRS	Validate the Logout functionality	P1	2						
<a href="#">TS_006</a>	FRS	Validate the Usability of the web application	P2	9						
			Total Test Cases	50						

Test Scenario ID	Test Scenario	TC_ID	Prerequisites	Test Cases	Test Steps	Test Data	Expected Result	Actual Result	Priority	Result	Comments
TS_001	Validate the Register Account functionality	TC_001	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether user able to enter details into all input box fields.	1.Enter the test data in each input field.	-	User should able to enter data	No input field on the webpage.	P0	FAIL	
		TC_002	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether popup is shown when fields left empty and clicked on signup button	1.Click on sign up button	NA	"Fill in all the fields!" popup should be dispalyed	"Please Fill in all the fields!" popup is dispalyed.	P0	PASS	
		TC_003	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether popup is shown when only "Enter your name" field left empty and clicked on signup button	1.Enter the test data in each input field. 2.Click on sign up button	Name:- " " Email:-saras@gmail.com Password:-Saras@1234	"Fill in all the fields!" popup should be dispalyed	"Fill in all the fields!" popup is dispalyed	P0	PASS	
		TC_004	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether popup is shown when only "choose your password" field left empty and clicked on signup button	1.Enter the test data in each input field. 2.Click on sign up button	Name:-Saras Email:-saras@gmail.com Password:-" "	"Fill in all the fields!" popup should be dispalyed	"Fill in all the fields!" popup is dispalyed	P0	PASS	
		TC_005	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether popup is shown when only "Enter your email" field left empty and clicked on signup button	1.Enter the test data in each input field. 2.Click on sign up button	Name:-Saras Email:-" " Password:-Saras@1234	"Fill in all the fields!" popup should be dispalyed	"Fill in all the fields!" popup is dispalyed	P0	PASS	
		TC_006	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether popup is shown when password length is less than 5 characters	1.Enter the test data in each input field. 2.Click on sign up button	Name:-Saras Email:-" " Password:-Saras	"Password should be at least 6 characters" popup should be dispalyed	"Password should be at least 6 characters" popup is dispalyed	P0	PASS	
		TC_007	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether error message is displayed when user entered numbers in name field	1.Enter the test data in each input field. 2.Click on sign up button	Name:-1234 Email:-Saras2@gmail.com Password:-Saras	Error message should be dispalyed	"User Registered Successfully!" popup is dispalyed	P1	FAIL	
		TC_008	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether error message is displayed when user entered numbers in email field	1.Enter the test data in each input field. 2.Click on sign up button	Name:-Saras Email:-1234 Password:-Saras@1234	Error message should be dispalyed	"User Registered Successfully!" popup is dispalyed	P2	FAIL	
		TC_009	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether error message is displayed when user entered numbers in email field	1.Enter the test data in each input field.	Name:-Saras Email:-1234@gmail.com Password:-Saras@1234	Error message should be dispalyed	"User Registered Successfully!" popup is dispalyed	P0	PASS	
		TC_010	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether user able to register account	1.Enter the test data in each input field. 2.Click on sign up button	Name:-Saras Email:-Saras_1@gmail.com Password:-Saras@1234	"User Registered Successfully!" popup should be dispalyed	"User Registered Successfully!" popup is dispalyed	P0	PASS	
		TC_011	1.Open the url:- <a href="https://productivity-suit.vercel.app/index.html">https://productivity-suit.vercel.app/index.html</a>	Verify whether user able to register account again with same data	1.Enter the test data in each input field. 2.Click on sign up button	Name:-Saras Email:-Saras_1@gmail.com Password:-Saras@1234	"User is already registered. Please Log in" popup should be dispalyed	"User is already registered. Please Log in" popup is dispalyed	P0	PASS
